

**“...Jesus speaks...” – Luke 2:41-52**

A Luke \_\_\_\_\_ passage. Why?

**The Big Review:**

- Angel \_\_\_\_\_.
- Triangulate for a \_\_\_\_\_ frame.
- Prophecy - \_\_\_\_\_ & \_\_\_\_\_
- 2 more \_\_\_\_\_.
- Why are \_\_\_\_\_ important to Luke? To us?

2:12 – baby – a \_\_\_\_\_ or in the womb

2:27 – child – an \_\_\_\_\_, little one

2:43 – child/boy – a child, able to \_\_\_\_\_

**“the child/boy Jesus”** – at a \_\_\_\_\_ point of life

v.41 – This is probably a \_\_\_\_\_ day venture - \_\_\_\_\_ miles.

Passover – a remembrance of when God delivered His people from the \_\_\_\_\_.

v.42-43 – This is the Passover before Jesus’ \_\_\_\_\_.

Ever lose your kid?

v.44-46 – **“I thought He was with \_\_\_\_\_!”**

A possible \_\_\_\_\_ day absence. The state of J & M?

Why given this one event? (0-12 to 12-30) – details of Luke 3:1

“teachers” = concerning the things of \_\_\_\_\_

v.47 – **“Whose \_\_\_\_\_ is this?” “Where did He come \_\_\_\_\_?”**

Jesus listens, asks questions, understood, answered. A good example.

v.48 – Mary made it all about \_\_\_\_\_.

No \_\_\_\_\_; no did you get enough to \_\_\_\_\_; no where did you \_\_\_\_\_.

We will not understand Christianity until we sacrifice our \_\_\_\_\_.

We are to \_\_\_\_\_ ourselves.

“Son” = a male child, a picture of his \_\_\_\_\_.

v.49 – Jesus’ response to His \_\_\_\_\_ parents.

**Jesus at 12 calls Himself the \_\_\_\_\_ of God.**

You address your selfishness with who Jesus \_\_\_\_\_.

## Some say Jesus is...

- The brother of the angel \_\_\_\_\_.
- A good \_\_\_\_\_.
- A great moral \_\_\_\_\_.
- A good Aesop \_\_\_\_\_ figure.

v.50-52 – “***But they did not*** \_\_\_\_\_ ***the word...***”

- Compare v.40 with v.52
- From \_\_\_\_\_ to \_\_\_\_\_.
- Eyes on \_\_\_\_\_ or on \_\_\_\_\_.
- 18 years later – Luke 3:21-22 – “***My beloved*** \_\_\_\_\_”
